Subject: RE: I oppose Duke's latest rate hike for dirty energy

Dear Ms. Jacobson,

This is to acknowledge receipt of your email to the Public Service Commission of South Carolina. I am forwarding your email to our Clerk's Office for processing. Your email will become a part of Docket No. 2013-59-E and will be posted on our website under this docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling
Administrative Assistant

South Carolina Public Service Commission

Dear Public Service Commission,

Duke should quit investing in dirty, old energy like coal and nuclear, and actually invest in the cheaper renewable technologies its executives claim to support. I want the Carolinas to be more energy efficient and powered by local wind & solar that will employ thousands of Carolinians.

Sincerely,

Andrea Jacobson
